

Take a few minutes to discuss which items your team wants to bring with them on the lifeboat. Keep in mind—space is limited.

STRANDED!

After discussing the activity with your group, go through the pictures and circle the items that your team wants to take with them on the lifeboat. Then, take a few minutes and come up with your final list of 3 items. Be prepared to share and defend this list with the class.

1. _____
2. _____
3. _____
